

SDSN Hong Kong **Monthly Highlight**

United We Stand

The power of change is in your hands as citizens, students, consumers, investors, employers or employees.

Use your voice to be advocates for urgent and ambitious climate action at home and abroad.

Together we can get the job done, save lives and create a prosperous future.

Selwin Hart
Assistant Secretary-General, Climate Action Team
Global Engagement Summit 2023

Event Promotion

'Clean Bin Project' — Documentary Screening & Sharing Session

Join Prof. Daren Leung (Lingnan University) for an upcoming movie screening and sharing session to explore the possibility of eliminating waste completely from our daily lives.
