

A horizontal banner with a light grey background on the left and a series of vertical stripes in various colors (blue, green, yellow, orange, red, pink, purple) on the right. The text 'SDSN Hong Kong' is written in a large, bold, blue font, with 'Hong Kong' in a smaller, blue font. Below this, the words 'Monthly Highlight' are written in a large, bold, yellow font. To the right of the text is a small version of the SDSN Hong Kong logo.

SDSN Hong Kong **Monthly Highlight**

A Right Delayed is a Right Denied

SDG progress is not about lines on a graph.

It is about healthy mothers and babies; children learning the skills to fulfil their potential; parents who can feed their families.

It is about renewable energy and clean air.

It is about a world in which everyone enjoys human rights and human dignity.
