Collaborative Efforts for Just Transition

We need governments, civil society, business and more to work together for a just transition – supporting affected workers and communities.

António Guterres

Secretary-General, United Nations

Remarks for the 15th Session of the Assembly of the International Renewable Energy Agency

Event Promotion

Beginning a New Decade: Art for a Sustainable Future

This exhibition features 11 Hong Kong artists addressing environmental challenges through art, encouraging reflection on our responsibilities and fostering collaboration for a sustainable future for ourselves and future generations.
